- 3.) Classes will be provided for Young Cocks and Young Hens only. All birds must be seamless banded.
- 4.) The show hall will be open at 8am, birds must be cooped by 9am so we can get the judging started as soon as classes are filled. Coop out time is 3pm or when judging is done. Please do not ask to leave early as we do have other judging to be done after all is over, Juniors, AOV.
- 5.) Sales coops will be available for \$4.00 per hole, with a 4-bird limit. ALL sales holes must be reserved with entry. We need to have some idea of how many sales cages we need to set up, we all know that there will be open sale cages at the show.
- 6.) Changes may be made in the same age and color class. But we all know that is not going to happen, so try to not over do your changes.
- 7.) The Reading Pigeon Assoc will not be responsible for the loss of any birds, but we will do the best we can, you also need to keep an eye on your birds.
- 8.) All sick and out of condition birds will be removed from the show hall at the discretion of the Show Secretary and Show Superintendent. We all have had sick birds coming home from a show and we all have felt the pain of losing good birds, so please leave all sick birds at home.

- 9.) Racing Homers will be judged in 2 classes Flown and Show Type racing homers.
- 10.) Enter Rollers as Flying Roller's Show Rollers or Baldhead Show Rollers.
- 11.) No talking to the judge during judging. Judge's decisions are final.
- 12.) The RPA & WRP has the right to combine classes to create competition, this does not apply to birds covered by Specialty Clubs.
- 13.) Specialty Clubs will be responsibility for their own judges and awards. The RPA and WRP will provide Cash awards for all birds not covered by Specialty Clubs – with 10 or more in a class.

We will be having a raffle, so if you would like to bring anything for donations, that would be wonderful.
